

Lumora Home Technologies - Refund Policy

Document ID: REF-POL | Version: 2.0 | Type: Policy | Status: Active | Category: REFUND

Effective Date: 2026-01-01

1. Purpose

This policy explains when Lumora Home Technologies refunds customers for devices and services bought from the Lumora online store. It replaces Refund Policy version 1.0.

2. Refund Eligibility

2.1 Return Window

Customers may request a refund within 30 calendar days of delivery.

2.2 Condition of Product

Unopened devices receive a full refund. Opened devices in working condition receive a full refund minus a 10 percent restocking fee.

2.3 Dead on Arrival and Transit Damage

Devices that are dead on arrival or damaged in transit receive a full refund including shipping charges, with no restocking fee, when reported within 7 days of delivery.

3. Refund Processing

3.1 Processing Time

Approved refunds are issued within 7 business days after the returned device is received and inspected at the Lumora returns warehouse.

3.2 Payment Method

Refunds are always issued to the original payment method. Refunds to a different card or account are not permitted.

3.3 Non-refundable Items

Professional installation fees are not refundable once the installation has been completed. LumoraCare+ subscription fees are refunded pro-rata for unused full months only.

4. Agent Rules

4.1 No Promise Before Inspection

Agents must not promise or guarantee a refund before the returned device has been inspected, except for confirmed transit damage under section 2.3.

4.2 Policy Exceptions

Refunds outside the 30-day window are policy exceptions and require approval from a Customer Relations manager. Agents must not approve exceptions themselves.
