

Lumora Home Technologies - Response Templates

Document ID: TPL-RSP | Version: 1.0 | Type: Template | Status: Active

Effective Date: 2026-01-01

1. Acknowledgement

Thank you for contacting Lumora. We have received your complaint about the issue you described and your reference number is shown below. We will update you by the date given in this message.

2. Apology and Resolution Update

We are sorry for the trouble this has caused. Here is what we have found so far and the next step we will take. We will contact you again by the date given below.

3. Escalation Acknowledgement

Because of the nature of your complaint, it has been passed to a specialist team who will contact you directly. Your case has been given priority.

4. Request for Information

To help us resolve your complaint, please send us the information listed below. We will continue as soon as we receive it.

5. Closure Confirmation

We believe your complaint has now been resolved. If anything is still not right, reply to this message within 7 days and we will reopen your case.

6. Writing Rules

6.1 Writing Rules

Responses must not promise refunds, compensation or dates that are not supported by policy. Only use timelines stated in Lumora policies.
